Provisional Centre Determined Grades

All students in Years 10, 11, 12 and 13 that have undertaken assessments as part of their WJEC courses are allowed to see their provisional grades before submission to the examination board. A Provisional Centre Determined Grade report will be sent to learners by 12 noon on Friday 11 June. This will be sent electronically via the school email account. The reports contain important information, including deadlines for any appeals.

The grades are not predictions, but judgements based on the evidence available. They are based on the assessment criteria set out by the WJEC on the basis of 'best fit'. All assessment procedures have gone through extensive quality assurance procedures. More detailed information can be found on the School's website: https://radyrcs.co.uk/?page_id=5986

Please be aware that provisional centre determined grades will not be provided for Vocational Level 3 courses, such as BTECs or those subjects not delivered by the WJEC (Pearson, Edugas). Grades for these subjects are awarded in August, with the appeals process taking place afterwards.

Virtual Parent Consultation Evenings

Letters containing an invitation to the events will be sent to Priority 1 contacts, with details about how to invite another parent to join. The appointment booking and closing dates/times will also be included.

Dates for the calendar:

Year 10: 23 June 2021
Year 12: 30 June 2021
Years 7 & 9: 7 July 2021

Year 12 Welsh Bacallaureate - Collapsed Timetable

Year 12 pupils will be taken off timetable to complete elements of the Welsh Bacallaureate during the final weeks of the summer term, **Monday 28th June onwards**. During this time, are required to complete a first draft of their Individual Project, which comprises 50% of the qualification's marks. It is essential that all students attend school throughout this period to receive the appropriate guidance and support needed to complete these important tasks.

The completion and pass of all stipulated Welsh Bacallaureate elements, along with obtaining at least 2 E grades in this summer's AS examinations, is an entry requirement to continue into Year 13.

Any queries, please contact me on b.willis@radyr.net.
